

## Stanton Landing Architectural Review Board

### Design Policy for Gazebo

Permits by CAMA must be obtained prior to construction.

Gazebos are to be a one story structure, not to exceed 11 feet in overall height. Dimensions are approximately 8' X 12' and can be adjusted slightly to accommodate existing pilings. Roof style will be a hip roof approximating a 6/12 pitch.

Roofing material for the gazebo should be the same material utilized on the roof of the residence.
